Hobbies

Skills

- Basic coding with C and C++
- Basic webpage development with HTML
- Ability to work for hours with same motivation
- Good control over MS office programs (MS Word, MS Excel, MS Powerpoint)

About me

I'm someone who will try to do anything approved by my religion, Islam, to reach my goals.
I wanna make my family happy, have a peaceful life and do something to make the world a better place for the generations to come. Being peaceful, humble and respectful to others has led me to being the person I am today.
I wanna continue on striving for greatness.
